

Our last day of Burgin Academy will be on May 9<sup>th</sup> BUT beginning on June 3<sup>rd</sup> our summer program will be in gear! Thank you so much for allowing your students to participate in our after-school program this year. We have had a lot of fun learning new things and bettering ourselves in the process. Not only have we learned academically, we've also had the opportunity to build long lasting relationships! We've gotten to host several guests from our community and conduct many hands-on activities and this summer will bring us more of the same!

Our summer theme will be Kentucky History. During some of our enrichment time, we will focus on the early settlers and their lifestyles. We will also have visitors to teach about sun and water safety, healthy eating, fire safety (k-Middle) and drug awareness (4<sup>th</sup>-middle). Summer hours will be from 8am-2pm Monday-Friday from June 3<sup>rd</sup>-28<sup>th</sup>

Each week will end with a field trip that offers visual and hands on learning, to reinforce what has been taught in various enrichment classes.

Below is a brief schedule of what a typical day will look like.

**8am-12pm**

Breakfast  
Math Instruction  
Fitness  
Reading  
Lunch  
Read Aloud

**12pm-2pm**

Enrichment  
Computer Time  
Free Play and Dismissal

**Fridays**

Field Trip

You will find an attached application **specifically** for the summer program. Please fill it out and return by May 17. Your child must have an application on file as this will be considered their form of enrollment. Please note that this is a FREE service, meaning that there will be NO charge for the program, including breakfast, snacks and lunch. This is a great way to close the gap that sometimes occurs when students have a long break. We hope you will take advantage of this opportunity. If you would like more information about ways you can contribute, please email [lisa.rath@burgin.kyschools.us](mailto:lisa.rath@burgin.kyschools.us) or call the school and use ext. 220

**\*This program is for Burgin students ONLY (students entering Kindergarten may attend).**
